What about the original work?

The "UFO Robot Grendizer" manga was published in TV Magazine from October 1975 to March 1977. The anime version aired on Full TV from October 5, 1975 to February 27, 1977. Recause of the sudden attack of the Vega Planet Allied Forces on the peaceful anet Fleed. Duke Fleed (known on Earth as Umon Dalsuke) was chased out of his home planet. Together with Grendizer, the guardian god of planet Fleed, he came to Earth, as the evil hand of the Vega Alliance had reached here. The unfolding fierce battle with the Saucer Beasts wasn't restricted to Japan as the show was broadcast in Asian and European territories, involving the viewers in a whirlpool of excitement. It was valued highly specially in France and Italy.

tentacles coming destructive bear in saucer form and a whin in robot form.
